RE: Turk Construction, Inc.

To Whom It May Concern:

With regards to your request for recommendations of Professionals, Contractors and Vendors, I certainly would not hesitate to recommend "Turk Construction, Inc" for any type of repairs, reconstruction or new construction that Ocean Reef Property Owners may need.

My wife and I have been residents at Ocean Reef since 1983 and have used several contractors and vendors to build, reconstruct and renovate our home on Sun Rise Cay.

As a result of Hurricane Wilma, we were fortunate to obtain the services of Turk Construction to repair the damage created by the storm.

In our opinion, The Turk Construction Organization has the most professional and highly qualified people we have ever dealt with on the Reef.

We have never experienced a more satisfying and pleasant dealing with any previous contractor or vendor. Their employees are considerate, neat and clean during and after construction repairs. A rare quality in construction employees.

I would certainly recommend that you place them as #1 in your database.

If you have any questions or require additional information please do not hesitate to contact me.

Cordially,

Joseph A. Bruno
