To whom it may concern:

Over the last seven years, both as an individual owner, and as the president of a Condo. Association I have hired Turk Construction for numerous projects.

In every case the company, its management, supervision and workers were considerate, knowledgeable and helpful. Every project was completed to our complete satisfaction.

Although not always the lowest bidder the company has always returned the best value for the dollar spent..

I would not hesitate to recommend Turk Construction for any construction project.

Sincerely,

Dick Carroll
